Here is the bibliography that TU has compiled and given to us. Our team has not yet compiled a common bibliography.

Hey Phil,  
Question from the community - is it possible to share with people what we have received so far? This way they aren't spending time digging up information that we may already have nor are they duplicating each other. Something we did for the water permits was share the bibliography with the North Slope Borough and then they added documents to it.

Thanks - Tami
